Ideas Generate Value

MONSTER HUNTER

IdeeBank

Who We Are

IdeeBank is an innovative products company that designs and produces creative and market-oriented smart products. We are committed to produce our own brand products, to customize products for clients, and to provide ODM and OEM services for branded companies.

We devote ourselves to collect creative ideas and efficiently bring them to production. For that, we form an experienced professional team, from product managers, ID & MD designers to hardware and software developers.

IdeeBank has successfully launched dozens of creative products. Some of the best-selling products were selected as customized products by Lenovo, Xiaomi, Meitu, OPPO and Tecno.
We believe in "Ideas Generate Value".

Please give us more creative ideas, let us bring them to life.

Multifunctional Lamp

Lighting up your life!

* Angel lighting effects.
* Small size to meet outdoor needs. Built-in 4000mAh battery. The standby time is up to 100 days! It can last above 8 hours in the brightest state.
* No more electrical outlet is needed. Two USB charging port included: It can work as a power bank.
* Smooth touch-sensitive button to adjust the light intensity gradually.
* Brightness memory function: Choose the most suitable light intensity for you, and keep it for next time.
* Flexible and soft stem: You can flex it at will, 360°.

* Pure and elegant design focused in all-in-one simplicity.

Specifications

* Size: Lamp panel: 97.8x97.8x8.5mm
  Base: 111.5x111.5x18.2mm Stem: 8x8x290mm
* Input: 5V 2.1A
* USB output: 5V 2.1A in total
* Weight: 460g
* Size of Package: 125*150*225mm

Robotic Motion Control Selfie Stick

Your smart selfie companion

* Add freedom of movement to your selfies and get better results.
* Wireless connection via Bluetooth.
* Recharge the battery safely and conveniently.
* Two operation modes: manual mode and auto mode:
- Take selfies automatically using the app's intelligent face capture.
- Take selfies manually using control keys.

Specifications

* Colors: White/Pink/Violet
* Weight: 168g
* Material: High quality Aluminum Alloy
* Stick Length: 380mm
* Handle diameter: 29mm
* Battery type: 18350 Ni-Mh Battery
* Battery capacity: 900mAh
* Product's app available for Android & iOS

iPhone Case with Skin Moisture Sensor

Your exclusive skin consultant

* Precise data analysis: Test your skin condition anytime, anywhere.
* Your exclusive skin caring consultant: Potable and unforgettable skin analyzer.
* Durable material with built-in excellent elasticity Microfiber, providing perfect protection.
* Creative Q-shape data cable.
* A variety of colors to choose from.

Specifications

* Available colors: Light Blue/Blue/Red/Pink/Grey
* Size: 141*71*9.7mm
* Weight: 30g
* Main materials: PC+Silicone+TPE+Stainless Steel
* Output Power (Maximum): 1mW
* Measurement Accuracy: 1%
* Test Deviation: ±1%
* Operating Mode: Connect with 3.5mm audio jack and get information on APP

File Encryption Key

Your privacy protector

* Working as a lock on your phone to hide your private information.
* Hide private information: Make your files, messages, call records, contacts, videos and pictures saved in the App to be invisible when the Key is not connected.
* Only connecting the Key again can show them back.
* The Key can only be paired with one mobile phone (Android system).
* The Key's App can also be invisible! Nobody but you will know it exists!

Specifications

* Available color: Grey
* Size: 30*12.8*7.8mm
* Weight: 6g
* Main material: Aluminum Alloy
* External interface: Micro USB/Type-C

COOWOO Selfie Light

Magical Selfie Light in Your Pocket

* Three grades of refined lighting intensity.
* 9 built-in high quality LED: Evenly distributed light.
* True color: It keeps your skin's true color.
* Incredibly light: Portable, fashionable and compact.
* Easy operation: Controlled by a single click.
* Small battery with large energy: It can take more than 100 photos with full power.

Specifications

* Available colors: White/Pink
* Size: 59.28*40.56*24.37mm
* N.W. (Product): 10g
* Battery capacity: 55mAh (Type)
* Color temperature: 5000K
* Illuminance: 160lm
* Charging voltage/current: DC5V 50mA

Xiaomi Selfie Light

Magical Selfie Light in Your Pocket

* Three grades of refined lighting intensity.
* 9 built-in high quality LED: Evenly distributed light.
* True color: It keeps your skin's true color.
* Incredibly light: Portable, fashionable and compact.
* Easy operation: Controlled by a single click.
* Small battery with large energy: It can take more than 100 photos with full power.

Specifications

* Available colors: White
* Size: 60*38*14mm
* N.W. (Product): 12 g
* Battery capacity: 80mAh (Type)
* Color temperature: 5000K
* Illuminance: 160lm
* Charging voltage/current: DC5V 50mA

Bluetooth Headset with Car Charger (BC200)

Your perfect drive companion

* Charging anytime and anywhere. Say goodbye to charging troubles.
* Auto pick up/hang up. It can be connected to two mobile phones.
* Easy operation to ensure the safe driving.
* Magnetic charging port: firm positioned and easy to put back precisely.
* Support quick charging for mobile phone with the USB socket.
* Aluminum alloy outer shell. Neat and durable.

Specifications

* Bluetooth version: Ver.4.2
* Size: Headset: 20*24mm Car charger: 24*87mm
* N.W.: 28 g
* Input: DC9V~28V
* USB output: DC5V;1.0A
* Standby time: about 48 hours
* Talking time: 4 hours
* Charging time: about 1.5 hours

Bluetooth Headset with Car Charger (BC300+)

Your perfect drive companion

* Charging anytime and anywhere. Say goodbye to charging troubles.
* Auto pick up/hang up. It can be connected to two mobile phones.
* Easy operation to ensure the safe driving.
* Magnetic charging port: firm positioned and easy to put back precisely.
* Support quick charging for mobile phone with the USB socket.
* Aluminum alloy outer shell. Neat and durable.
* Two USB charging ports.
* Portable charging case that holds multiple additional charges.

Specifications Bluetooth Headset

* Bluetooth version: Ver.4.2
* Size: Headset: 20*25.5mm Car charger: 25.5*97mm
* N.W.: 30 g
* Input: DC9V~28V
* USB output 1: DC5V/1.0A
* USB output 2: DC5V/2.1A
* Standby time: about 48 hours
* Talking time: 4 hours
* Charging time: about 1.5 hours

Specifications Charging Case

* Size: 20*50mm
* N.W.: 32 g
* Input: DC5V/500mA
* Battery capacity: 3.7V/400mA
* Charging time: about 1.5 hours
* Operating temperature: -10~50°C

True Wireless Earphones (Air 7E)

Truly wireless Bluetooth earphones from the future

* Wireless. Effortless.
* The stable connection between left and right earphones.
* Clearly superior sound.
* Portable charging case that holds multiple additional charges.
* Easy operation. Comfortable wearing experience.

Specifications Bluetooth Headset

* Bluetooth version: Ver.4.2
* Size: 49.9*23*19.5mm
* N.W.: 58 g
* Input: DC5V
* Battery capacity: 3.7V;55mAh
* Talking time: 3 hours
* Charging time: about 1 hour
* Transmission distance: 10m(without obstacle)

Specifications Charging Case

* Battery capacity: 3.7V;900mAh
* Charging case charges for headset: up to 8 times
* Charging time: about 2 hours
* Operating temperature: -10~50°C

True Wireless Earphones (Air 8E)

Truly wireless Bluetooth earphones from the future

* Wireless. Effortless.
* The stable connection between left and right earphones.
* Clearly superior sound.
* Portable charging case that holds multiple additional charges.
* Easy operation. Comfortable wearing experience.

Specifications Bluetooth Headset

* Bluetooth version: Ver.4.1
* Size: Φ16.8*27.5mm
* N.W.: 100 g
* Battery capacity: 3.7V/50mAh
* Talking time: 3 hours
* Charging time: 2 hours
* Main material: Aluminium alloy + ABS

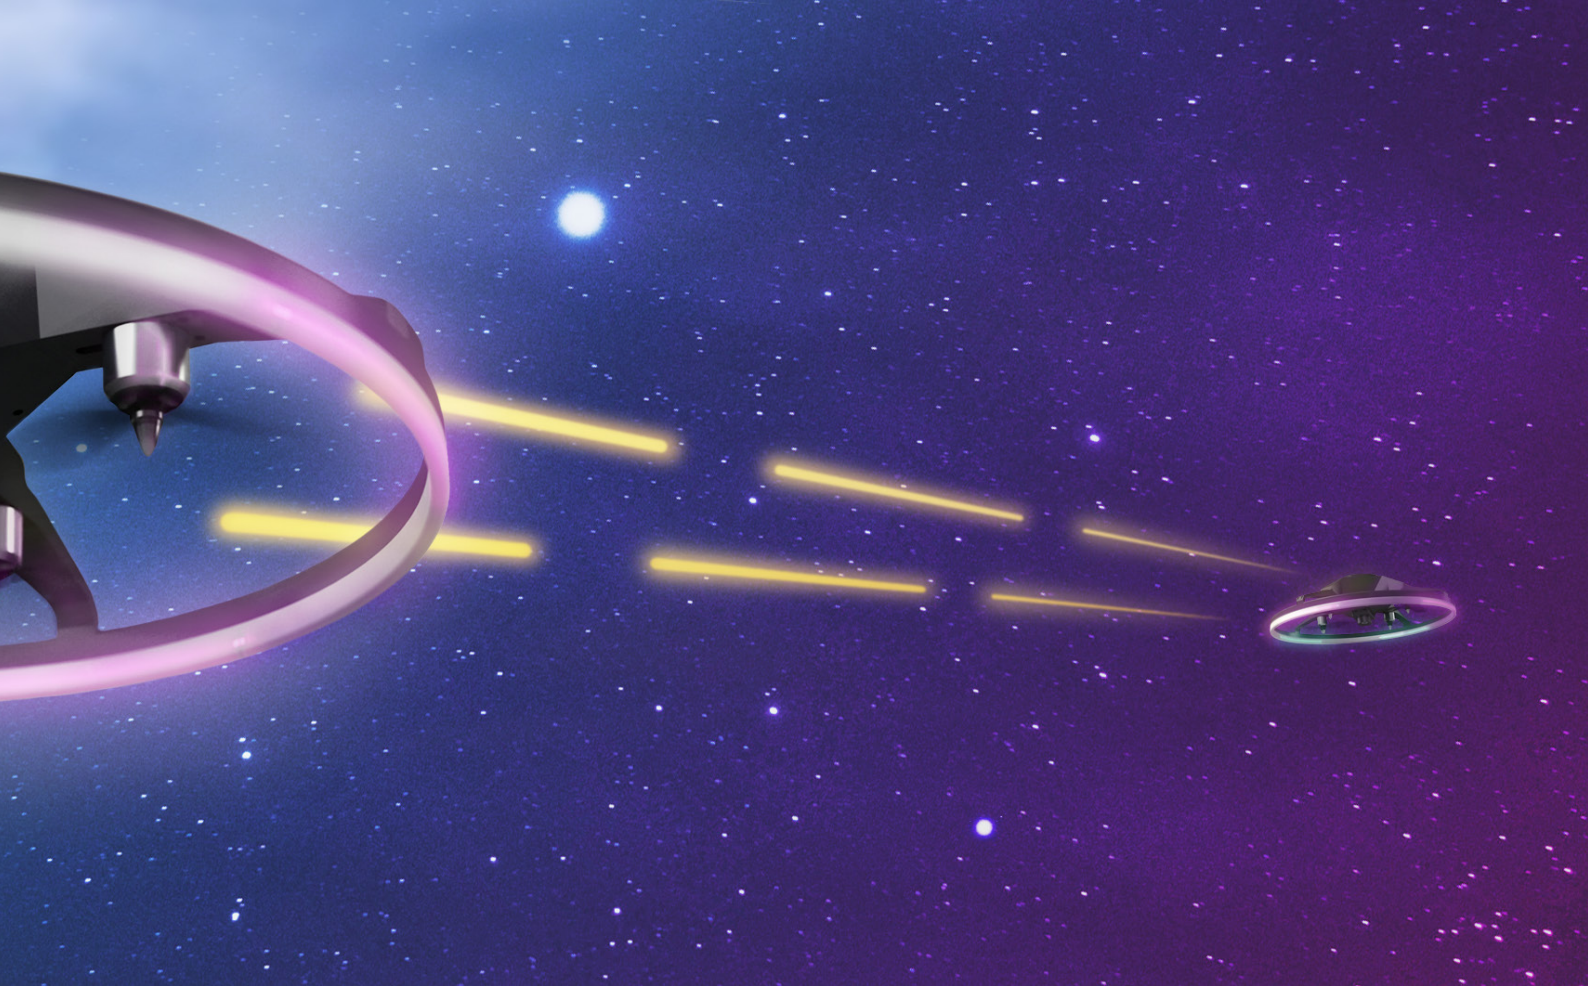
Specifications Charging Case

* Battery capacity: 3.7V/600mAh
* Charging case charges for headset: 4 times
* Charging time: about 1.5 hours

AR Games Drone

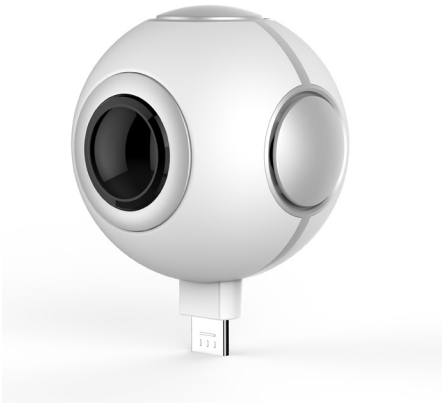
Make your flight more amusing

* AR interactive gaming: The powerful algorithm of AR technology's superposition provides a rich variety to the games.
* Entertaining pilot training: combine the training with the AR games in the real scene. Improve your pilot skills.
* Safety: Full-protection frame design.
* Stabilization:
- Built-in optical flow sensor (software upgrade support).
- Built-in ultrasonic wave sensor. Control height, which stabilizes indoor flight.



Specifications

* Weight (including battery and propellers): 650g
* Diagonal Size (Excluding Propellers): 230mm
* Live View Quality: 720P @ 30fps (depending on conditions and mobile device).
* Effective Pixels: 16M
* Lens: FOV 95°f/2.4, focus at ∞
* Video Recording Modes: 4K 30FPS: 2.7K 30FPS, 1080P 60FPS, 1080P 30FPS, 720P 120FPS, 720P 60FPS
* Battery: 3.7V 2200mA. Charging Time: 1 hour
* Max Flight Time: 12min
* Max Transmission Distance (Live view): 150m (depending on conditions and mobile device).



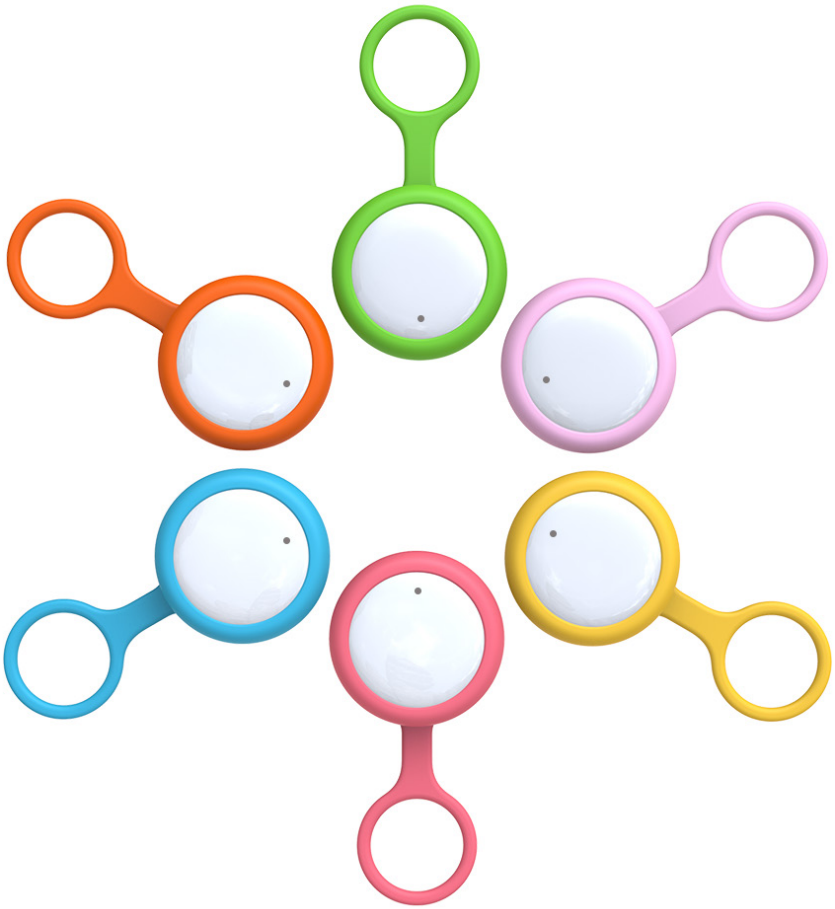
720° Panorama Camera

See the panoramic world

* Double fish lens with transverse 360°and longitudinal 360°. To capture full-angle images completely.
* Chip level distortion correction, algorithm stitching, automatic white balance processing.
* Multiple View: Asteroid / Fisheye / Panoramic view. Support VR mode, gyro sensor / touch screen slide.
* Share panoramic format video and pictures to Facebook or WeChat directly .
* Supports YouTube live show.

Specifications

* Available colors: White/Black/Blue
* Size: 41*41*41mm
* Resolution: 2048*1024
* Encoder: H.264
* Storage: It saves on phone
* Interface: Micro USB/USB Type C
* Power: Powered by phone



Smart Dog Tag

Taking good care of your pet

* Wearable device for your pet which helps you to take good care of it.
* Outdoor activity monitoring.
* Daily activity and sleep data record.
* Simple APP design, easy to operate.
  It synchronizes the data to APP via Bluetooth.
* Standby time is up to 60 days.
* Distinctive mark for walking dogs at night.
* QR code anti-lose design.
* The shared code supports more than 2 people to track the pet's activity remotely.

Specifications

* Bluetooth version: 4.0
* Size: 8.6mm
* N.W.: 9.3 g
* Battery type: CR2032 button battery
* Battery capacity: 3.0V; 220mAh
* Waterproof level: IP56
* Sensing range of light sensor: 0~54613 lx
* System requirements: Android 4.3 & IOS9.0 or above

Crystal Dog Tracker

Never worried about losing your pets

* GPS function
* Outdoor activity monitoring.
* Operation time is around 14 days.
* Simple APP design, easy to operate.
  It synchronizes the data to APP via Bluetooth.
* 256 kinds of light color for walking dogs at night.
  It easily binds to any kind of collar.

Specifications

* Bluetooth version: 4.0
* Size: 47.5*34*16mm
* N.W.: 15.5 g
* Battery type: Li-ion battery
* Battery capacity: 240mAh
* Waterproof level: IP67
* Charging method: Connected to the charging dock
* Location mode: GPS+Base station+WLAN
* System required: Android 4.4 & IOS9.0 or above

Smart Watch (SW01)

Make health easier and specific

* Real-time blood pressure test
* Sleep quality monitor
* Pedometer, calorie and miles calculation
* Phone calls and message notifications
* Remote camera
* Short distance phone searching function
* Display time by uplifting wrist

Specifications

* CPU: NRF52832
* Bluetooth version: Ver.4.0
* Size: 245*24*12mm
* N.W.: 25g
* Battery capacity: 3.7V/100mA
* Battery: lithium polymer battery
* Waterproof level: IP67
* Display screen: 0.660LED
* APP: IOS&Android, IOS8.0 above /Android4.4 above

Smart Watch (SW02)

Make health easier and specific

* Real-time blood pressure test & sleep quality monitoring
* Auto-regonize sport modes
* Pedometer, calorie and miles calculation
* Sitting time alert
* Phone calls and message notifications
* Remote camera
* Display time by uplifting wrist

Specifications

* CPU: NRF52832
* Bluetooth version: Ver.4.0
* Size: 250*40*11mm
* N.W.: 35g
* Battery capacity: 3.7V/100mA
* Battery: lithium polymer battery
* Waterproof level: IP67
* Display screen: 0.660LED
* APP: IOS&Android, IOS8.0 above /Android4.4 above

Fast Smart Bicycle Taillight

Color up your road, relaxing smart riding

* RGB full color and 9 flashing mode, makes your bike cool and outstanding.
* Auto warning light of braking with flashing in red.
* Auto adjust the brightness when the rider stays in dim circumstances.
* Anti-theft alarm.
* Emergency locating function: Send a message and location to your emergency contact when an accident happens.
* Rechargeable battery.

Specifications

* Input voltage: 5V
* Standby current: 10μA
* Transmisson distance: up to 15m
* Battery capacity: Lithium battery 500mAh
* Charging time: 2 hours
* Battery life: Standby mode: 60 days,

Flashing mode: up to 60 h, Brightest mode up to 10 h
* Size: 79*39.5*29mm
* Weight: 39g
* Operation conditions:
- Temperature: 15~60°C
- Humidity: 15~85%

Bluetooth Headset (Necklace Style)

Your trusted music companion

* Charging anytime and anywhere. Say goodbye to charging troubles.
* It can be connected to two mobile phones.
* Magnetic charging port: firm positioned and easy to put back precisely.
* Easy operation. Comfortable wearing experience.
* Auto-charge and outage based on intelligent power management.
* Aluminum alloy outer shell. Neat and durable.
* Clear sound quality.

Specifications

* Bluetooth version: Ver.4.1
* Size: Headset: 20*25.5mm Main body: 25.5*52mm
* N.W.: 30 g
* Input: DC5V/500mA
* Battery capacity (Headset): 55mA
* Battery capacity (Charging case): 400mA
* Charging case charges for headset: up to 4 times
* Talking time: 4 hours
* Charging time: about 1.5 hours

Bluetooth Speaker with LED Light (BL200)

Musical and colourful life

* Control the speaker via APP.
* Support music playing by connecting the AUX port.
* Support phone calls answering and talking.
* Adjust the light colours by touching the bottom of speaker.
* It can be used as your personal alarm clock.
* Aluminum alloy outer shell. Neat and durable.
* More than 16 million kinds of light color for you to choose.

Specifications

* Bluetooth version: Ver.4.0
* Size: 67.5*65.8*63mm
* N.W.: 166 g
* Input: DC5V/500mA
* Battery capacity: 750mA
* Speaker power: 3W
* Charging time: about 2 hours
* Profile support: HSP/HFP/A2DP/AVRCP
* Transmission Distance: 10m

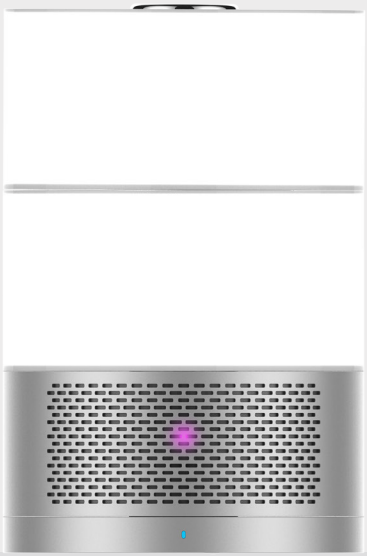
Bluetooth Speaker with LED Light (BL500)

Musical and colourful life

* Control the speaker via APP.
* It supports music playing by connecting the AUX port.
* It supports phone calls answering and talking.
* The speaker provides stereo sound.
* It can be used as your personal alarm clock.
* Aluminum alloy outer shell. Neat and durable.
* More than 16 million kinds of light color for you to choose.

Specifications

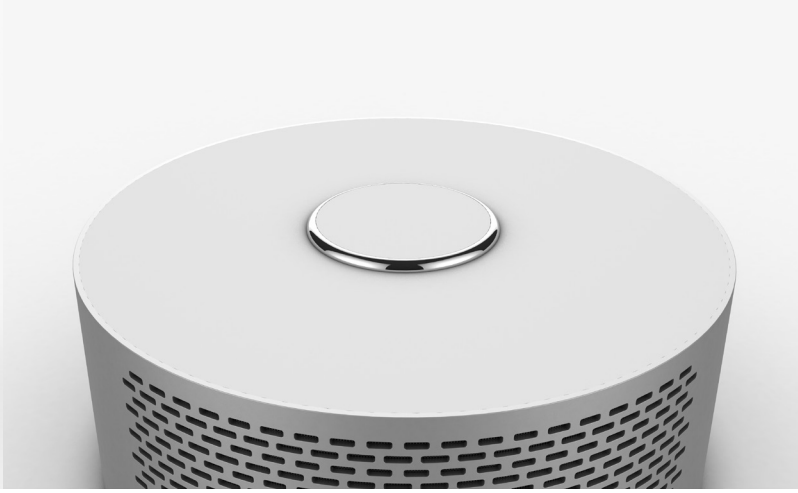
* Bluetooth version: Ver.4.0
* Size: 66*254mm
* N.W.: 568 g
* Input: DC5V/500mA
* Battery capacity: 2200mA
* Speaker power: 5Wx2
* Charging time: about 4 hours
* Profile support: HSP/HFP/A2DP/AVRCP
* Transmission Distance: 10m



Bluetooth Speaker with LED Light Combined Type

Various combined styles

* Combine the speaker with LED at will.
* Control the speaker via APP.
* It supports phone calls answering and talking.
* Control the lighting effects by an easy click.
* It can be used as your personal alarm clock.
* More than 16 million kinds of light color for you to choose.



Specifications

* Bluetooth version: Ver.4.0
* Size: 100*100*200mm
* N.W.: 600g
* Battery capacity: 3.7V/4000mA
* Illuminance: 220lm
* Range of color temperature: 1700K-6500K
* Kinds of light color: more than 16 million
* System requirements: Android 4.3 & IOS8.0 or above
* Lifespan of LED: 20,000 hours

Charger with four USB ports

Satisfy your desires for a charger

* The four USB ports can supply electricity synchronously.
* It supports quick charging for mobile devices.
* It supports wide range input voltage (available worldwide).
* Overvoltage and overcurrent protection.
* The intelligent current matching function.
* Ultrasonic processing adopted to ensure safety when using the charger.

Specifications

* Input: 100-240V~0.8A
* Size: 68*68*64mm
* N.W.: 180 g
* Max output (total): DC5V/8.4A
* Max output (single port): 2.4A

Smart Microphone

Handheld and portable KTV

* Controlled by an easy click: Easy to operate.
* HI-FI sound quality.
* Select songs on mobile phone.
* It supports both Android & IOS systems.
* Wireless transmission.
* Portable design. Sing anywhere at will.

Specifications

* Output power: 3W
* Frequency range: 100Hz-10KHz
* Max SPL: >115dB 1KHz THD<1%
* Size: 168.5*52*30mm
* N.W.: 100 g
* Battery capacity: 3.7V/900mA
* Input: DC5V/500mA

Clouddrink Cup for Adult

The considerate and intelligent cup

* Friendly drinking water reminder. Customize your own settings through the APP.
* Water quality monitoring with TDS monitor sensor.
* Real-time water temperature display function.
* Showing the records of drinking water on APP.
* Drinking data analysis.

Specifications

* Cup capacity: 400ml
* Available colors: Blue/Black/Red/Pink
* Main material: Tritan+Stainless Steel
* Size: 205*70mm
* N.W.: 305 g
* Charging port: Micro USB
* System requirements: Android 4.3 & IOS8.0 or above. Bluetooth v4.0 or above.

Clouddrink Cup for Children

The considerate and intelligent cup

* Drinking reminder: It reminds parents to supply enough water for the baby.
* Real-time water temperature display function.
* Interaction design: It encourages the baby to drink more water playing music.
* It shows the baby's records of drinked water on APP.
* Safe Tritan material for bottle and Silicone parts.

Specifications

* Cup capacity: 360mL
* Available colors: Blue/Pink/Yellow
* Main material: Tritan+Stainless Steel
* Size: 174*77mm
* N.W.: 250 g
* Charging time: about 2 hours
* System requirements: Android 4.3 & IOS8.0 or above.
